1. The Office of Rail Regulation (ORR) exempts under section 7(3) of the Railways Act 1993:

from the requirement to be authorised by licence to operate the railway assets described in paragraph 2 below.

2. This exemption applies to:

- (b) any stations, light maintenance depots and trains operated on the exempt network.

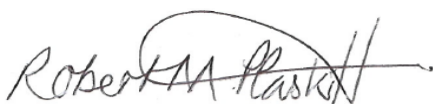

A list of the railway assets to which this exemption applies is at Schedule 1.

3. This exemption is valid from 3 April 2013.

4. ORR may revoke the whole or any part of this exemption:

- (a) if the exemption holder is granted another licence or exemption for the operation of all or some of the railway assets to which this exemption applies; or

- (c) if all or some of the railway assets to which this exemption applies are not used for at least one year; or
- (d) if the exemption holder ceases to be the operator of all or some of the assets to which this exemption applies; or
